GiveNOLA Day is coming! Now in its 8th year, **GiveNOLA Day is a 24-hour event** hosted by the Greater New Orleans Foundation. This year, it is scheduled to take place on **Tuesday, May 4th**.

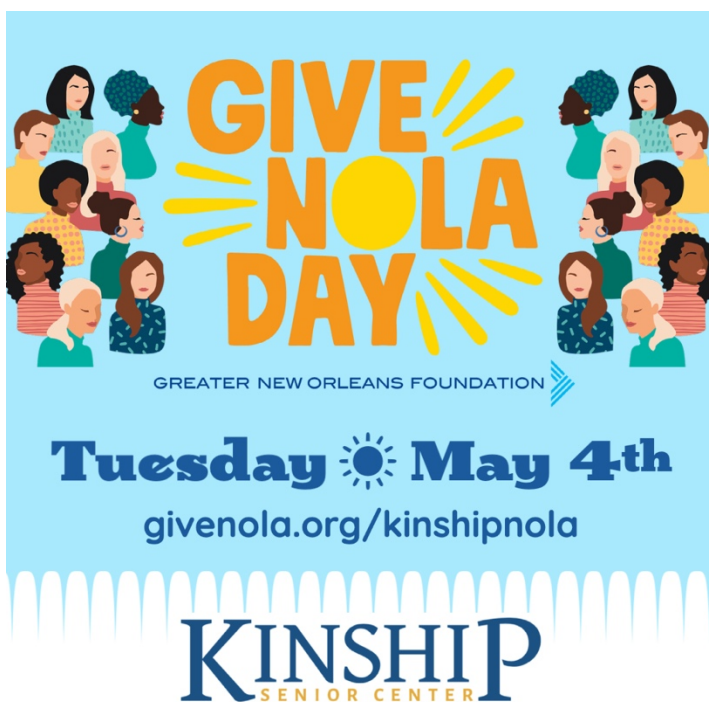

Let's all work together to get the word out to help ensure Kinship's future!

Due to the pandemic, we've all had to make substantial adjustments to our daily lives and recalibrate how we do things. As many of you know, we usually have several opportunities to raise funds for the Center throughout the year, but the pandemic has upended us in every way.

Our Executive Director has been working tirelessly behind the scenes to secure our grant funding so we have what we need to reopen just as soon as we get the greenlight! However, grants are only half of the equation regarding our financial support. The other half depends on the generosity of individual donors. These proceeds go directly toward meals, snacks, transportation, and general supplies for the Center.

Upon reopening, we'll need to stay stocked up on many extras pertaining to member safety, like hand sanitizer, disinfectant spray, paper towels, gloves, and face masks, just to name a few. We know you're all eager to return and we want to make sure everything's in order when you do!

"Together, let's inspire people to give generously so that we can make our region stronger and creating a thriving community for all." ~ GREATER NEW ORLEANS FOUNDATION

On May 4th, people can visit **givenola.org/kinshipnola** to make a donation on GiveNOLA Day.
